

# Saleroom visits protocol

## From Henry Adams Fine Art

**To help everyone stay safe, we have produced the following information to help your visit go safely and smoothly. Please read this carefully and strictly comply with all of these items to ensure a safe visit.**

We are open on an appointment only basis, please call or email to arrange an immediate or future appointment time.

When you arrive at the sale room at the appointed time please make yourself known by calling through the front door. Please ensure you are wearing a face mask.

Please wait at the door until a member of staff comes to greet you.

There may be other people in the sale room and you are required to keep at least 1 metre social distance from them. They will also be wearing face masks.

You will be asked to proceed to the appropriate area at the sale room where a table will be available for delivering items, collecting items or viewing items for sale.

Please do not touch any other items in the sale room as you proceed to the table area.

Only one adult per appointment, please do not bring any children as we have to limit the numbers in the sale room. There are no toilet facilities available.

If you are if you or any member of your household are showing symptoms of Covid 19 please do not come to the saleroom and call to reschedule your appointment.

**Thank you.**
